THE MORE YOU TRAIN THE BIGGER YOUR ROLE IN THE FILM IS LIKELY TO BE THAT INCLUDES TRAINING FOR TECH AS ACTOR OR FILMMAKER

One person in a scene schedules and puts the names of the other scene partners in the provide box. You will be provided a contact list for all members. Only those in the Nickel City Players will be given scenes to build for the movie. Others may perform any monologue or scene which will then be filmed and placed on the website for the actors review. You will also get a written critique of every non-movie performance. The scheduling program will send you 3 email reminders. Each one will offer you the opportunity to reschedule or cancel. This is in addition to the cancel option below.
